STOROPACK – PERFECT PROTECTIVE PACKAGING

Wherever in the world you send your products, we want them to be well protected while in transit.

FOAMplus® IS HIGH-PRECISION PACKAGING, LIGHT AS A FEATHER.

Our FOAMplus® packaging system protects your products using true-to-contour padding made of shock-absorbing polyurethane. Foam padding from Storopack is environmentally friendly as it is lightweight, reduces transport costs and can be re-used for the same products.
