

A CAREER IS FINDING JUST THE RIGHT PATH FOR YOU FROM AMONG MANY OPTIONS.

You are important to us. The cornerstone of our success is from the creativity and motivation of our approximately 2,400 employees worldwide at 73 locations. Storopack is a global leader/specialist in developing and producing protective packaging and technical molded parts. We encourage our employees to be decisive even in challenging situations by empowering them to make a difference helping the company grow positively and profitably.

We are looking to recruit a flexible and team-oriented Field Service Engineer (m/f/d) covering a territory in **South UK**.

FIELD SERVICE ENGINEER (M/F/D)

YOUR SKILLS:

- ▶ At least 5 years experience in field based engineering
- ▶ Ideally HNC/HND in electrical engineering or equivalent, or apprentice trained
- ▶ Strong technical skills and understanding of mechanical/pneumatic and electrical systems (single and 3-phase)
- ▶ Able to prioritise and handle multiple tasks, detailed orientated and able to analyse and solve problem issues
- ▶ Able to handle all situations with discretion and sensitivity to any customer needs
- ▶ Conversant with Microsoft Office
- ▶ Willingness to travel in UK and occasionally Europe with occasional overnight stays

YOUR RESPONSIBILITIES:

- ▶ Management of a Southern territory; maintaining systems by organised program and call outs
- ▶ Promote the Storopack products and brands
- ▶ Organise preventative maintenance programme of all Storopack systems on a regional basis
- ▶ Implement effective and efficient time management across the region to meet goals of the company
- ▶ Ability to demonstrate correct use of all systems and suggest preventative maintenance to customers
- ▶ Project manage and implementation of Working Comfort solutions
- ▶ Represent the company in a professional manner at all times
- ▶ Provide demonstration and application support to the customers and other team members
- ▶ Conduct Risk Assessments and Method Statements for customer installations
- ▶ Keep accurate records of machine services, movements and ensure timely receipt by the office
- ▶ To perform all assignments in a determined fashion aligned by the needs of the business
- ▶ Test and Commission systems prior to installation
- ▶ Organise all stocks of machines and spare parts, and ensure adequate levels carried on vehicle

WE OFFER:

Storopack will provide you with on-the-job training as well as continuous further education relating to your position. The job is varied and challenging and we are looking forward to welcoming a new staff member to the already existing, dynamic and dedicated team.

WE LOOK FORWARD TO RECEIVING YOUR APPLICATION:
